*Though Our Prices Still Reflect A Competitive Rate And Advantage To The Agent To Save Time And Fuel Costs, Due To The Ongoing Rises In The Fuel Prices, We Have Been Forced To Attach An Additional Fuel Surcharge To Our Regular Fees In Regards To Our Photo Services. We Are Sorry For Any Trouble This May Cause. We Hope, With Luck, The Financial Climate May Change In Favor Of All Of Us, With Regard To The Fuel Costs, At Which Time We May Be Able To Provide Our Always Low Photo Price Without This Fee. Thank You In Advance For Your Consideration.*
